

Salisbury House Membership Plans

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind we have designed our dental plans to reward loyal patients, allowing us to plan your dental care more effectively, to provide the best chance of keeping you dentally fit and to reduce the need for future treatment.

When you join a plan, you will have the peace of mind that all your preventive dental care will be covered by convenient monthly payments. Our plans also provide worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

Your benefits

- all your preventive dental care is included
- payment by convenient monthly Direct Debit, allowing you to budget
- guaranteed registration with the practice and continuing access to your dentist
- no need for an assessment – you can join immediately
- early identification of dental problems to prevent pain, discomfort and inconvenience
- appointment times to suit you whenever possible
- discount on treatment fees
- priority booking in the event of a dental emergency
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance at terms not available elsewhere (see overleaf).

Who are our plans for?

Our plans are designed for patients who wish to attend the practice on a regular basis and have peace of mind that their preventive dental care is covered.

How do you join a plan?

There is no need for an assessment. All you have to do is complete a registration form and Direct Debit mandate.

In addition to your first monthly payment, a one-off registration fee of £10 per person will be charged and will be included in your first Direct Debit payment.

Any questions?

If you have any questions about our plans, please contact our reception team who will be happy to provide further information and guidance.

What happens in an emergency?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.
